**BOOK INFORMATION**

The scoffers of Peter's day were very much like modern-day skeptics in that they deliberately overlook the facts of biblical history: Creation and the Flood. The cost of their unbelief is catastrophic even within the Christian church. *Scoffers* presents a strong defense of the authority of God's Word to equip evangelicals to "withstand in the evil day, and having done all, to stand" (Ephesians 6:13).

The reality of the biblical account of the Flood is that it is a horrifying account of judgment but also one of glorifying redemption.

**SELLING POINTS**

Reveals how the Gospel of salvation can only be understood in light of the Genesis account of a six-day Creation and the global Flood

Provides an in-depth analysis of 2 Peter 3 to defend the biblical account of Creation against the false notions propagated by scoffers

Presents a strong defense for the coming of Christ and Christianity to those who have rejected the truths found in Genesis 1 - 11
